

massage

relaxation massage 60 min

The ultimate defense to stress: a gentle pressure massage with the benefits of therapeutic botanicals and steamed towels.

deep tissue 60 min

This targeted massage addresses tight muscle groups for physical and mental stress reduction. A highly concentrated blend of lavender, rosemary, and menthol essential oils reduces inflammation and promotes circulation.

hot rocks 60 min

Heated basalt stones gently restore stagnant energy and relieve tight muscles throughout the body. A skillful combination of hands and stones takes this experience to the next level. Experience a cool stone face massage with Privai's antioxidant-rich oil to relax the mind and enliven the senses.
